

Diana Meyer-Counard

GoldFinch Gift Solutions, LLC was founded on the premise that gift baskets should be stylish, delectable and invigorating to give and receive.

Diana Meyer-Counard has taken her unique sense of design, an eye for detail and her relationship-building expertise to create a company that makes and delivers artisan-styled baskets for the discerning customer.

With charming containers, hand-selected contents and whimsical wrappings, each GoldFinch basket showcases a refinement not often seen in the gift basket service industry.

As an expert sales consultant and chamber of commerce professional, Diana understands reputations and relationships are built over time. Her products are gracefully designed to enhance every relationship you have.

Whether for business or personal, GoldFinch Gift Solutions, LLC wants your gift to deliver a lasting impression for anyone in your life.
