### **Personal Stylist representing J. Hilburn**

I'm Michelle Roshkoff. I'm a Personal Stylist representing J. Hilburn throughout South Jersey and Bucks County. After owning a women's clothing boutique for five years, I saw firsthand the frustration in finding good quality clothing that fits all body types. With very few shopping options for men in the South Jersey region, I've loved helping my clients find their "3C Wardrobe"... Convenience, Customization and Confidence. The most rewarding part of my job is to witness each client's transformation after putting on an outfit designed and fitted just for him...big smiles and confidence is what is reflecting in the mirror back at him. Would love to hear from you to discuss how to make your wardrobe work best for you.
